

**MINUTES OF THE GENERAL BODY MEETING OF POMCHS LTD. HELD
ON 15/04/2018 (SUNDAY) AT SECTOR-49, FARIDABAD PROJECT SITE.**

The General Body Meeting of POMCHS LTD. was held on 15th April, 2018 (Sunday) at 10.30 A.M. at Sector-49, Faridabad project site. All member were informed about the meeting well in advance vide letter No. 1430 dated 22/03/2018 and also through SMS.

The Agenda of the General Body Meeting:

1. Welcome address by the Chairman and apprise the members with the present state of the projects at Faridabad and Sonapat.
2. Approval of Balance Sheet for the F.Y. 2015-16 and 2016-17.
3. Approval for appointment of CA/Auditor
4. Present state of case pending with the National Consumer Forum pertaining to M/s. Indiabulls regarding Sonapat Plots.
5. Approval for cancellation of two 5BHK Flats illegally allotted to Mrs. Suman Kumari Gupta (MID No. 6241) and Mrs. Mohinder Kaur (MID No.6227) by the previous BOD.
6. Approval for filing case against M/s. Sri Sat Sahib Housing & Infrastructure Development Company for unilaterally cancelling the irrevocable General Power of Attorney executed in favour of the Society.
7. **Sale of 13 Shops in the Faridabad project.**
 - (i) Reserved price of each shop is Rs.20,00,000/- (Rupees Twenty lac only).
 - (ii) First preference will be given to the members of the Society.
 - (iii) Interested members are requested to deposit Demand Draft for Rs.50,000/- (Rupees Fifty thousand only) favouring the **“Police Officers Multi-State Co-Operative Housing Society Ltd.”** in the Society office at PTS, Malviya Nagar, New Delhi-110017 **latest by 10th April, 2018.**
 - (iv) If the applicants exceed 13, it will be decided by draw.
 - (v) The allottees of the shops will be required to deposit Rs.5 lac by Cheque or Demand Draft within a week from the date of allotment and the balance amount will have to be deposited within a month thereafter.
8. **Sale of EWS Flats.**

There are 122 EWS Flats constructed by the Society as per Government norms. Action to be taken to sell these flats.
9. Any other matter with the permission of the Chairman.

Dr. Aditya Arya, IPS(Rtd), Chairman of POMCHS Ltd. chaired the meeting along with all other Board of Directors.

The General Body Meeting could not be started at 10.30 A.M. as scheduled due to lack of quorum i.e. one fifth of the total number of members were not present. Therefore, the Chairman adjourned the meeting for half an hour. The members reassembled at 11 A.M. for GBM by the time the required quorum was complete.

The Chairman addressed the General Body with best wishes and hearty greetings for Baisakhi and expressed his grateful thanks to all members for extending their wholehearted support to the new management.

Following is the brief of his speech:

He said, the new Managing Committee is trying its best to hand-over the possession of the flats as early as possible. The members will be very surprised to note that the project was mismanaged by the previous MC. The Society was paying money in the name of a 3rd person i.e. M/s. Sri Sat Sahib Housing and Infrastructure Development Company (a partnership firm) from whom the Society had purchased the land for construction of this Housing Project. Mr. Sumer Singh Rana and Col. Rajnish Soni were the partners of M/s. Sri Sat Sahib Housing and Infrastructure Development Company. Subsequently, Col. Rajnish Soni either left or was removed from the said company. The Society had paid all the money i.e. Rs.56,97,60,000/- to the said company against 20 acres of land. This money belonged to the members of the Society. The increase in the cost of every category was only due to the mismanagement of the previous MC and the members are suffering for that.

Initially we were supposed to purchase 20 acres of land for which the full amount was paid to the aforesaid company, whereas we got only 18.3875 acres with a shortage of 1.6125 acres. Various MOUs were signed between the aforesaid company and the Society. The EDC and IDC were supposed to be paid by the aforesaid company but the same were paid by the Society headed by Sh. Dayanand, the Chairman of the previous MC. The Society also had to pay heavy penalty on the EDC and IDC due to delay in paying the same. This was an act of criminal wastage of money of the members of the Society.

Further, the election for a new management was announced by the Central Registrar of Co-Operative Housing Society on 1st March, 2017 and from that day till 16/03/2017 the previous MC spent Rs.28 crores by way of withdrawal by members, paid lots of money to the contractors as advance for doing various works at the project but the works were not even started for nearly one year thereby incurring heavy loss of money paid by the members in terms of interest lost. Why the previous MC paid advance payments to different contractors without completing any codal formality and without

6, 0 -

carrying out any work. They also spent an amount of Rs.15,71,722/- towards taxi fare during their tenure which includes their visit to Chandigarh, whereas the present MC spent only Rs. 9,368/- towards taxi fare for visiting DTCP, Chandigarh to follow-up the case of renewal of Licence No.14 and issuance of Licence for the 7 acres of land.

The present MC is in the process of investigating the whole matters of mismanagement by the previous MC. Once the evidence is gathered, legal action will be taken against the previous MC. We are also conducting a special audit of the Society for the F.Y. 2010-11 to 2016-17 and the same is in progress. Once the audit is completed, the auditor will submit a report. Until and unless we have clear cut evidence, no legal action can be taken against the previous MC.

Cancellation of two 5BHK Flats illegally allotted to Mrs. Suman Kumari Gupta (MID No. 6241) and Mrs. Mohinder Kaur (MID No.6227) by the previous BOD.

Two 5BHK members namely (1) Sh.Ramakrishan Singh (MID No.6184) and (2) Sh.Bajrang Lal Meena (MID No.2839) had withdrawn their memberships during the period of the previous MC. There were 10 members in the 4BHK wait list during the time of the aforesaid cancellations. But, without offering these two vacated flats of 5BHK to the wait listed members, the ex-Chairman Sh.Dayanand illegally transferred these two 5BHK Flats – one in the name of his wife Smt.Suman Kumari Gupta and the other in the name of Smt. Mohinder Kaur, w/o. Sh. Surjeet Singh, ex-Vice-Chairman, changing their earlier option of 3BHK. Sh. Dayanand had not even brought this matter to the notice of the other members. This action is not at all in the interest of the Society and its members and hence the transfer is liable to be cancelled. So, the present management decided to bring this matter before the GBM for approval for cancelling the transfer of 5BHK illegally done.

Faridabad project:

The Chairman informed the General Body that Sh.R.P. Mehta, Director, is authorised to look after the project at Faridabad and he will inform you about the work done and the pending work.

Sh. R.P. Mehta narrated as under:

The land owner Mr.Sumer Singh Rana, M/s. Sri Sat Sahib Housing & Infrastructure Development Company had issued an irrevocable General Power of Attorney (GPA) in favour of the Society to act on his behalf in connection with the Faridabad project. But, subsequently, he has unilaterally cancelled/revoked the GPA thereby creating a lot of problems for the Society in completing the project. If this is the situation with the Police Officers Society, then what would be the situation of the Societies run by the civilians.

Mr.Sumer Singh Rana had written to the Electricity Department that he had cancelled the GPA and hence not to entertain any request of the Society. We had no other valid documents other than the GPA and that too he has cancelled. The biggest mistake the previous managements made was that they simply accepted the GPA only with the condition of "Irrevocable" and that alone cannot safeguard the interest of the Society.

There were two Partners namely Mr.Sumer Singh Rana and Col.Rajnish Soni in the Company and they have prepared the Agreement/General Power of Attorney just to get the money from the Society and thereafter Col.Rajnish Soni left the company and Mr.Sumer Singh Rana made himself as the proprietor. It seems, Mr.Sumer Singh Rana himself removed Mr.Soni from the partnership with ulterior motives.

The previous MC never updated with the latest development to the members of the Society. They did everything for their own benefit and not for the interest of the members. They also wasted a lot of time and money.

Had the earlier MC were still in power, they would have taken at least three instalments by now.

In order to complete the remaining work in the project, at least Rs.25 crores should have been with the Society, whereas we have only Rs.3 crores in our hand and we do not know how to manage the remaining amount.

Because of the mismanagement of the previous MC, we had to capture the power forcefully. Their intention was to spend the whole money of the Society before leaving.

We do not want that all information should remain with the MC(BOD) members only but it should be in the knowledge of the members also. Whatever grievances and suggestions you have, you are welcome to the Society for necessary follow-up actions.

We are investigating the mischief of the previous MC and for that we are also conducting a special audit.

The following are the pending works at the Faridabad project tower-wise:

Details of pending work at Faridabad Site as on 12.04.2018.

Tower T6(F-Block) (3 BHK) :-

Pending Work: Final Coat Internal & External Paint. Stilt Trimix Flooring, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T5(E-Block) (3 BHK) :-

Pending Work: Final Coat Internal & External Paint. Stilt Trimix Flooring, Miscellaneous Repair Work if Any & House Keeping Work.

60

Tower T4(D-Block) (3 BHK) :-

Pending Work: Final Coat Internal & External Paint. Stilt Trimix Flooring, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T3(C-Block) (3 BHK) :-

Pending Work: Final Coat Internal & External Paint. Stilt Trimix Flooring, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T9(G-Block) (3 BHK) :-

Pending Work: Final Coat Internal & External Paint. Stilt Trimix Flooring, chinaware & C.P Fitting.

False Ceiling Work. Rising Main & Meter Board. Lift Work.
Miscellaneous Repair Work if Any & House Keeping Work.

Tower T1(B-Block) (4 BHK) :-

Pending Work: Final Coat Internal & External Paint. C.P Fitting, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T2(A-Block) (5 BHK) :-

Pending Work: Final Coat Internal & External Paint. C.P Fitting, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T13(I-Block) (2 BHK) :-

Pending Work: Final Coat Internal & External Paint. C.P Fitting, Miscellaneous Repair Work if Any & House Keeping Work.

Tower T14(H-Block) (2 BHK) :-

Pending Work: Final Coat Internal & External Paint. C.P Fitting, Miscellaneous Repair Work if Any & House Keeping Work.

EWS Tower 1:-

Pending Work: Internal & External Paint. Glass work, Wiring & Sheet Switch, MCB, Meter Board. Flush Door. Miscellaneous Repair Work if Any & House Keeping Work.

EWS Tower 2:-

Pending Work: Internal & External Paint. Glass work, Wiring & Sheet Switch, MCB, Meter Board. Flush Door. Miscellaneous Repair Work if Any & House Keeping Work.

EWS Tower 3:-

Pending Work: Brick Work, Door Window Frame Work, Electrical Work, Plumbing Work, Plaster Work, Painting Work.

65/11/14

Community Building:-

Pending Work:

Final Coat Internal & External Paint. Chinaware & C.P Fitting. Misc Railing Work,
False Ceiling Work. Rising Main & Meter Board. Lift Work.
Miscellaneous Repair Work if Any & House Keeping Work.

Shopping Complex:-

Pending Work: Final Coat Internal & External Paint.

Meter Board.

Miscellaneous Repair Work if Any & House Keeping Work.

External Development:-

Pending Work:- STP Pit, LV Room in Basement, Swimming Pool, Back Gate & Guard Room.

Fire Fighting Work:- Fire Work 20% pending.

STP:- 90% Work Completed. STP Cable Laying Work In Progress. Motor Installation Work In Progress. Rubber Lining in Tanks Work in Progress.

Security System:- Stilt, Basement, Boundary Wall & Lift Camera Work pending. Orders for lifts have already been issued. But, the lifts were not installed due to the warranty clause.

EWS Flats:

These are being constructed as per the norms of the Haryana government and its cost have to be borne by the members of the Society.

Community Centre:

The Community Centre is almost ready.

Shopping Complex:

It comes under commercial. We have put it for sale and initial deposit is Rs.50,000/- towards EMD. The reserved money is Rs.20 lakhs. We have already got requests from 33 members with deposit of Rs.50,000/- in the form of Demand Draft.

Main pending work:

The main pending work at the site is electricity connection. We have already applied almost a year ago. On the basis of the Development Rights and Collaboration Agreement etc. we have tried to convince the electricity department. The previous MC has not done proper follow-up. The present MC is going to approach every authority

62 D.

and even at Chandigarh for the electricity connection and within a month after getting the electricity connection, the possession will be handed over to the members.

The mischief made by Mr.Sumer Singh Rana of M/s. Sri Sat Sahib Housing & Infrastructure Development company.

The documents executed in between the Society and M/s. Sri Sat Sahib are so defective and weak. Sh.Sumer Singh Rana had again started demanding further money from the Society but we have not paid the same. So, he has unilaterally cancelled the GPA. As a result of that, we are facing the problems for electricity connection etc.

We have informed Mr.Sumer Singh Rana that the present MC is not so weak unlike the previous MC.

When the present MC approached the electricity department, they asked the Society the proof of ownership. But, we have got only the Development Right and Collaboration Agreement. We met the Chief Engineer at Hissar and explained the matter in detail and they were satisfied. We are again going to meet the appropriate authorities at Hissar and trying our best to get the clearance for the electricity connection as early as possible.

Mr.Sumer Singh Rana has been trying to stop the work at the Society but his injunction was dismissed.

We are going to file a criminal case against Mr.Rana and we will take whatever legal action is required to ensure that he did not interfere with out project any more.

The previous MC paid a lot of advance payment without starting the work in the ground which caused lot of financial loss and we are trying to file criminal case against the previous MC.

He said that the present MC wants to do every work in fruitful manner and not otherwise.

He also said that the MC is going to get the accounts of the Society cross checked by government registered auditors and thereafter, if proof of any mischief is found, necessary legal action will be initiated against the previous MC.

I.B. City, Sonapat:

Sh. Dinesh Sharma, Director, authorised to look after the I.B. City issues on behalf of the Society, was requested by the Chairman to brief the members of the Society present in the GBM .

He said that Sh. Dayanand, the Chairman of the previous MC did not bother to get the investigation done in the I.B. City, Sonapat even after the directive of the court. We were elected on 16/07/2017 and in our 1st meeting on 17/07/2017 itself the Chairman spoke to the Director, School of Planning and Architecture, New Delhi and got the Prof. Dr. Anil Diwan of School of Architecture and Planning appointed to inspect the project and submit his report to the Hon'ble, National Consumer Forum. He submitted his report to the court in August, 2017.

Mr. Sanjeev Malhotra:

Mr. Sanjeev Malhotra had submitted a complaint to the present MC that he was approached by Shri O.P. Sagar, the then Director-cum-Secretary, BOD, to scout for plots in and around Delhi for the members of the Society. Accordingly, after very hard work of 2 years, he arranged Indiabulls plots in Sonapat and Indiabulls had offered him 5% commission for sale of their Plots. But, Mr. Sanjeev Malhotra was bypassed by Mr. Dayanand once he introduced him to the Indiabulls management.

Agreement with Indiabulls:

The agreement was executed between the previous MC and M/s. Indiabulls. The most surprising factor is that only the payment schedule was mentioned in the agreement and there is no any mention of any date or time for handing over the possession of the Plots to the members. The agreement should have been between the individual members and Indiabulls and the Society. It was a big mistake made by the previous MC.

We have already deposited 95% payment with M/s. Indiabulls on the condition that the possession will be given by May, 2013. M/s. Indiabulls had applied for electricity connection in the year 2014. This shows that M/s. Indiabulls were not serious to fulfil their part of the commitment and made false assurance of possession by May, 2013.

Court Case:

The previous MC had asked the members for filing the court case against M/s. Indiabulls due to delay in handing over the possession of the plots. Sh. Dayanand, the ex-Chairman, nowhere highlighted about handing over the possession of the plots as assured by M/s. Indiabulls. The case is still lying in the Consumer Court.

The present MC held 2/3 meetings with the Senior Executives of M/s. Indiabulls for out of court settlement and we could be able to sort-out the differences. M/s. Indiabulls agreed to provide electricity from the Barota Power House. We will hold more meetings with them to find out an amicable lasting solution.

6, 07/14

Present Status of the case:

In the last hearing, the Court had ordered M/s. Indiabulls to submit an Affidavit regarding possession of the plots. Once the same is submitted, we will get a copy to enable us to prepare suitable reply.

We came to know that seven members have already taken the possession of their Plots in the I.B.City. Within 3 years from the date of taking over the possession of the plots, the construction should start. That is the condition of HUDA. The seven members will be approached to find out the details.

So far providing electricity through Generator is concerned, the DTCP do not permit the same for construction purpose.

Even after the GBM, some members of I.B. City enquired with Sh.Dinesh Sharma about the handing-over the possession of Plots and other aspects. He has answered their all queries to their satisfaction.

Sector-23, Sonapat Flat project:

Sh. Kuldeep Singh Dabas, Secretary informed that the possession of the Flats at Sector-23, Sonapat had already been handed over to its members by the previous MC. But, the construction was very poor and the Flats look like it is 10 year old. There are a lot of deficiencies and the members will be surprised to note that the condition of the Flats are very pathetic.

The previous MC directly purchased the Cement and Steel thereby incurring a loss of Rs.34 lakhs. There was a dispute between the Contractor, M/s. NKM Constructions and the Society. The MC did not cancel the agreement with M/s. NKM Constructions and appointed small contractors for the remaining work resulting poor quality of work. There is seepage, leakage and lot of other problems. Despite that, the previous MC paid approx. Rs.1 crore to M/s. NKM Constructions. Apart from this, there were lifts problems and new spare parts were required to be provided to run the Lifts.

Getting the possession of 3rd Plot from HUDA in lieu of Plot No.17 allotted at Sector-23, Sonapat.

HUDA had allotted 3 plots (Plot Nos: 15, 16 & 17) to the Society for constructing Flats for the members. But, the Society got possession of only two plots i.e. Plot Nos: 15 & 16 as the Plot No.17 had already been allotted to the Telephone Department before it was allotted to the Society. The 3rd Plot has not yet been allotted to the Society.

6/11/11

The previous MC informed the members that the 3rd plot does not belong to the existing members and it belongs to the other members.

We have written letters to HUDA authorities in Sonapat for providing alternate plot, because the Society had already paid the entire money to HUDA for all the 3 plots.

The Chairman continued:

That the members had initially objected to approve the Balance Sheet for the F.Y. 2015-16 because the previous MC had handed over the hard copy of Balance Sheet to the members in the meeting saying that the Balance Sheet was uploaded in the website.

The current MC wants the GBM to approve the Balance Sheet for both the F.Y. 2015-16 and 2016-17. Passing the Balance Sheet is important because whenever we go to court, it is a requirement in the court that the Balance Sheet is passed otherwise we will be penalised.

Few members raised some objections to the passing of Balance Sheets etc. which were clarified to their satisfaction.

Sh. Ramesh Kaushik, Director:

Regarding approval of the Balance Sheets, he informed that the accounts of the Society is to be audited by the government auditors. And only after that the Balance Sheets are to be approved. Whether the Balance Sheets are approved or not, it will not in any way affect the work of the Society. The Balance Sheet for the year 2015-16 was not passed earlier also and the ongoing work in the project was never affected.

Few members raised the query whether conveyance deed is required for registration of the Flats of Faridabad project. To this Chairman replied that in Co-operative Societies, no conveyance deed is required. The Society will issue Possession Letter and Share Certificate and on the basis of that, registration can be done.

Regarding the sale of shops, some members raised the query that they want to go for bidding/auction rather than outright sale. To this Chairman asked the members to raise their hands who want to put the shops on bidding/auction rather than outright sale and if the majority wants to go for bidding/auction, it can be considered. To this, majority of members raised their hands and the management approved it.

The Chairman further informed the members that to complete the project, the Society needs approx. Rs.24 crores, whereas we have only Rs.3 crores in our hand and we do not know how to generate the funds for completing the remaining work. The

6.12

Chairman asked Sh.Kuldeep Singh Dabas, Secretary to explain as to how the much needed money can be generated.

Sh.Kuldeep Singh Dabas explained as under:

Cost of the project enhanced from Rs.306 crores to Rs.324 crores. The difference is Rs.18 crores.

The following are the reasons for increase in the cost:

The previous management had not considered the construction cost of 122 EWS Flats in their estimates and Cooking Gas was also not included.

Further, due to construction of G-Tower separately, the non-tower basement area was increased which caused an extra expenditure of Rs.1,77,33,728/-. In fact there was no need to construct the G-Tower separately.

The other reasons for increase in the costs are:

There was no CCTV installed. After the current MC came to power, the CCTV etc. were installed.

The burden of extra cost towards purchase of Cement & Steel came on the present MC.

The previous MC paid Rs.20 lakhs towards consultancy without doing any work.

Rain Water Harvesting:

Previous management did not make any arrangement for Rain Water Harvesting.

EWS:

The previous MC has not demanded from the members, the cost for construction of 122 EWS flats i.e. 15% of the total Flat.

Spent Rs. 48 lakhs towards Construction of shopping complex.

Spent Rs.11 lakhs for construction of site office.

GST implication.

Expected Revenue:

Rs.1,83,00,000/- is expected from 122 EWS flats

Rs. 6 crore is expected from 2 Nursery schools

Rs.6,10,30,857/- from sale of vacant flats and payment from members who have defaulted.

Rs.2 crore expected from Komman Peoples' Welfare Society

Rs.2,60,00,000/- expected from sale of 13 shops.

He said that the ongoing work at the project should not suffer. But, we do not know as to when the above amount will be received by the Society.

Options for resources:

The Society has spent approx. Rs.22 crores for the 7 acres of land and its Licence has not yet been received. The Licence is not expected because the policy has changed by the Haryana government. When we met the DTCP, he said that had we approached them at least 3 months earlier, they would have issued the licence. One acre from the 7 acres has already been utilised by the Society by extending the 2 & 4 BHK Towers. Now, there is only 6 acres left in this land.

We have 3 options for utilization of this 6 acres land. The first option is direct sale of this 6 acres land and the amount so received can be utilised in the 11.3875 acre project.

The second option is that there is a Government scheme of Affordable Housing. There is no EDC or IDC burden. The 6 acres can be utilised for construction of Affordable Housing. For that we have to collaborate with a Builder because Society will not get the Licence. In the joint venture with the Builder, 50% share can be taken from the Builder outright. Whatever profit comes from this, the same can be distributed among the members later on.

The 3rd option is to raise demand for the remaining amount.

When asked the opinion of the members, the majority of members approved direct sale of this 6 acres of land, so that the amount so received can be utilised for completion of the remaining work in the ongoing project to avoid burden of raising fresh demand on the members.

The Chairman continued:

The Chairman stated that we will take a considered view between direct sale and the Affordable Housing and opt for whichever will be beneficial to the Society.

6.12.14

The Chairman requested the members to approve the following agenda items:

1. Approval of Balance Sheets for the F.Y. 2015-16 & 2016-17.
- **Approved Overwhelmingly**
2. Approval for appointment of CA/Auditor.
- **Approved Overwhelmingly.**
3. Approval for cancellation of two 5BHK Flats illegally allotted to Mrs. Suman Kumari Gupta (MID No. 6241) and Mrs. Mohinder Kaur (MID No.6227) by the previous BOD.
- **Approved Overwhelmingly.**
4. Approval for filing case against M/s. Sri Sat Sahib Housing & Infrastructure Development Company for unilaterally cancelling the irrevocable General Power of Attorney executed in favour of the Society.
- **Approved Overwhelmingly.**

The following members raised certain queries:

1. **Sh.Kasturi Lal Dua (MID No.3) 3BHK Faridabad member.**
He raised the question as to why the shops are put on outright sale. The sale of shops should be by way of bidding/auction.
2. **Sh. Sube Ram (MID No. 1734) 2BHK Faridabad member**
Regarding sale of 7 acre of land, he suggested that first of all every aspect of the property is to be examined thoroughly. We should not be in a hurry and the BOD should go for the best option.
3. **Sh.Shiv Kumar (MID No.148) 3BHK Faridabad member.**
He said that there is no land in the name of the Society and it is in the name of M/s. Sri Sat Sahib Housing & Infrastructure Development Company. Also that the previous management distributed Rs. 28 crores among the contractors after announcing the election. He said that whatever action the Society wants to take against the above persons, may be taken but he wants to know as to when the possession of the Flat will be given.

To this, Shri R.P.Mehta replied that within one month after getting the approval of the Electricity, we will be able to give the possession.

The following members suggested for starting CGHS Dispensary at the Faridabad site for the benefit of the members:

- (i) Smt. Anita (MID No. 4985) 3 BHK Faridabad member.
- (ii) Smt. Anita Chadha (MID No.5634) 3BHK Faridabad member.

The Chairman told them that we would approach CGHS if we fulfil their guidelines.

The following members suggested that no extension of time will be given for depositing the EMD of Rs.50,000/-. Also sale of shops should be only by draw as intimated in the GBM letter and not by bidding/auction.

- (i) Sh. Pravash Kumar (MID No.3149) 2BHK Faridabad member.
- (ii) Sh. Surat Sing (MID No. 2280) 3BHK Faridabad member.
- (iii) Sh. Harish Chander (MID No. 1012) 3BHK Faridabad member.
- (iv) Sh. Amrik Raj (MID No.419) 3BHK Faridabad member.
- (v) Sh. Virender Singh Punia (MID No. 98) 3BHK Faridabad member.

Since there were no other issues to be discussed, the meeting was concluded with a vote of thanks to the Chair.

(DR.ADITYA ARYA)
Chairman

6.11.18
